

Natural Bridge Health Symposium 2011

Natural Bridge Health Symposium

July 15-17, 2011

presented by

ESTILL COUNTY
Emergency Medical Services
EMS

The Natural Bridge Health Symposium enjoyed a successful comeback in 2010, and the stage is set for this summer's event to be another high-value continuing education offering with a spectacular backdrop.

Presented by Air Methods Kentucky, Estill County EMS, and Marcum & Wallace Memorial Hospital, the three-day program will feature top-notch education on a range of topics centered on rural medical emergencies in the pre-hospital and emergency department settings.

But education is only part of the experience. Generous free time has been built into the schedule for Saturday and Sunday, letting you and your family to enjoy all the activities and amenities this outstanding park has to offer. Saturday's lunch will be an old-fashioned summertime cookout with vendors, who'll be on hand throughout the weekend to demonstrate and explain their latest medical products, equipment, and services. And the dress code is comfortable, reflecting the event's relaxing environment.

We hope you accept our invitation to leave the khakis at home and bring the family along to this unique opportunity that truly offers more than just education.

Continuing education credit is provided for our presentations.

Visit www.ekyemssymposium.com to register online and view schedule details, speaker bios, and information about our vendors.

Friday, July 15, 2011

Early Registration begins at 5 p.m.

The symposium kicks off Friday with an in-depth overview on meth labs. Presented by Operation UNITE, the comprehensive training by this unique organization will include what to expect if you discover a meth lab on a transport and the risk involved on-site and with the patient.

Saturday, July 16, 2011

Registration begins at 7:30 a.m.

Join us for a look into a range of relevant and interesting topics, such as *10 Things a Trauma Surgeon Wants EMS to Know*, *Tactical Medicine*, and more.

A cookout lunch with our vendors will take place at noon!

Sunday, July 17, 2011

Registration begins at 7:30 a.m.

The final day of the symposium will feature a variety of unique presentations, including *Child Abuse: An Overview*; *An Overview of Death Investigation & Forensic Pathology in Kentucky & Beyond*; *Pathophysiology of Ballistic Injuries*; *Burns*; and *Hot Flashes - Preventing Burnout*.

Lodging

For your comfort and convenience, a limited number of discounted rooms are available at the Natural Bridge State Resort Park Hemlock Lodge (2135 Natural Bridge Road, Slade, Kentucky).
